Has been epoxy primed and prepped ready for the new owners to antifoul
Huge inventory of spares and extras to many to list

Description

Moody's hardly need an introduction as their reputation as a well built and solid offshore cruiser says it all. Akibbon is no exception, she was sailed from Scotland to the Med and prepared for a circumnavigation but plans changed and the current owners bought her in 2013.

She is a well looked after example of this sought after model and with some minor upgrades would be ready to take her new owners anywhere they wish.

Below decks the spacious accommodation provides 2 double cabins plus 2 bunks/passage berths and the main saloon makes another double. The beauty of the centre cockpit design means the aft cabin makes a fantastic owners suite with large double bed and ensuite head. If your looking for a well built boat that will take you around the world (or the Med) with comfort for longterm cruising at a great price then Akibbon needs to be on your list!

CREO Yacht Brokers Ltd take the upmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
