Description

Venus is the perfect starter boat for sailing the Greek Islands she is spacious for her size, comfy and can squeeze into those small spots and shallow bays that keep the bigger boats away! All while not breaking the bank and leaving plenty in the kitty to enjoy yourselves and indulge in the famous Greek hospitality ashore.

Although compact this Jeanneau Sun Odyssey 29.2 manages to pack a lot of accommodation in with 2 good sized double's and a further 2 berths in the saloon if needed. She has a head with sink and hot & cold shower plus a fully equipped galley.

Venus began her life as a charter boat with Neilson holidays so you can be assured of regular maintenance and care, she has been owned by the current owners since 2017 and they are only selling to move up to something larger for extended periods onboard.

CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
