2003 Bavaria 41 "Andreas I"

It would be fair to say there are quite a few Bavaria's in the Med and its easy to see why, they offer such a great balance of accommodation with performance and build quality and you get an awful lot of boat for your money.

This particular example is a well cared for Bavaria 41 from 2003 which has been exceptionally well maintained by a local charter company.

Description

It would be fair to say there are quite a few Bavaria's in the Med and its easy to see why, they offer such a great balance of accommodation with performance and build quality and you get an awful lot of boat for your money.

This particular example is a well cared for Bavaria 41 from 2003 which has been exceptionally well maintained by a local charter company. She has had a recent full engine rebuild and benefits from the bigger more desirable Volvo D2-55 55hp which means you have plenty of power on tap when you need it.

The sails are only 4 years old and the standing rigging was replaced 10 years ago.

Stepping inside you will notice the main saloon has all new upholstery and the whole boat is bright and spacious with plenty of room for 6 people with 3 double cabins and 2 heads on board.

CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
