Description

This Beneteau Clipper 281 is presented in stunning condition and is a credit to her owners who have looked after her for the last 10 years. Originally a charter boat in Lefkas she was reportedly very lightly used and you can tell as soon as you step onboard.

Alberte packs a lot of accommodation into a small space and everything is there including a full galley with fridge and gas cooker, a head with jabsco toilet, sink and shower. Her cockpit is spacious with all the lines running back for easy handling and tiller steer means no wheel to squeeze around when climbing onboard.

This little Beneteau is the perfect boat for holidays in Greece without breaking the bank and her current owners are reluctantly offering her for sale due to age & health reasons.

CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
