1998 Beneteau 351 Oceanis “Combava”

Our first impression stepping onboard Combava is that she looks like a much younger boat and the design still holds up with much newer boats. You can tell that she has had caring owners and she presents very well.

Description

Our first impression stepping onboard Combava is that she looks like a much younger boat and the design still holds up with much newer boats. You can tell that she has had caring owners and she presents very well.

She offers a large cockpit with new fitted cushions and Bimini, 3 spacious cabins and a large saloon with linear galley.

Her current owners have only sailed for a few weeks each summer and have had her professionally maintained during winter with no expense spared so she is in fine condition and ready for new owners.

CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
