2011 Delphia 40.3 “Wadloper”

The 40.3 is an evolution of the successful Delphia 40 and this particular boat was built in 2011 to Germanischer Lloyd standards with a very desirable lifting keel option. Wadloper offers a very flexible layout with 3 cabins and 2 heads, linear galley and large spacious saloon with lots of light. Her cockpit is well laid out and the cockpit table is easily removable to allow plenty of space to work winches and lines if needed.

Description

The 40.3 is an evolution of the successful Delphia 40 and this particular boat was built in 2011 to Germanischer Lloyd standards with a very desirable lifting keel option. Wadloper offers a very flexible layout with 3 cabins and 2 heads, linear galley and large spacious saloon with lots of light. Her cockpit is well laid out and the cockpit table is easily removable to allow plenty of space to work winches and lines if needed.

Delphia Yachts were formed in Poland in 1990 by 2 brothers and were so successful that they were acquired by the Beneteau group in 2018 and have now produced over 25,000 boats across sail and power with more than 40 models. People that know these boats won't need an introduction and will already be aware of their build quality and excellent sailing characteristics.

CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
