## 2002 Fountaine Pajot Athena 38 "Arjuna"

Super affordable yet modern and spacious entry into the multihull world! Arjuna is one of the last Athena 38's built from the well respected Fountaine Pajot factory. Unlike some of the other cats of this size and era the Athena 38 balances accommodation and space with sailing performance and is renowned for being a good performer as well as offering space for the whole family.

Variety of tools and spares included

**Description**

Super affordable yet modern and spacious entry into the multihull world! Arjuna is one of the last Athena 38's built from the well respected Fountaine Pajot factory. Unlike some of the other cats of this size and era the Athena 38 balances accommodation and space with sailing performance and is renowned for being a good performer as well as offering space for the whole family. This particular example is the much sought after ONWERS VERSION with the starboard hull dedicated to one cabin with excellent storage and large ensuite. She also has updated engines and near new standing rigging amongst other things.

The current owners have used her very lightly for only a few weeks each year and have reluctantly decided to retire from sailing and offer her to lucky new owners. Great opportunity to get into a modern catamaran for an affordable price point.

*CREO Yacht Brokers Ltd take the utmost care to document and photograph each boat accurately however the above description should be used as a guide only and we make no guarantees of its accuracy. Potential buyers should make their own inspections and we strongly suggest engaging a professional surveyor/engineer to help with this. This vessel is offered subject to prior sale, price change, or withdrawal without notice.*
